

Norristown Area School District Publicity Refusal Form

Dear Parent/Guardian:

Photos and videotape footage of Norristown Area School District students are frequently used as part of the district's community relations efforts. If you **do not** want photos or videotape footage of your child used in district publications or on the NASD Website, please complete the form below. Be advised that signing this form prevents intentional use of your child's photo or videotape footage. However, in situations in which large groups of people are participating, it is impossible not to photograph or videotape certain students and therefore we cannot prevent the use of photos or videotape footage that unintentionally includes your child. This form must be filled out each year to refuse publicity for your child/children.

****Please return this form only if you are refusing publicity****
