

## Norristown Area School District Photo Publicity Refusal Form

Dear Parent or Guardian,

Photos and videotape footage of Norristown Area School District students are frequently used as part of the district's community relations efforts. If you do not want photos or videotape footage of your child used in district publications or on the NASD Website, please complete the form below. Place a check mark in the correct box on the form below, sign it, and return it to your child's school. Please be advised that signing this form prevents intentional use of your child's photo or videotape footage. However, in situations in which large groups are participating, it is impossible not to photograph or videotape certain specific students and therefore we may not be able to prevent the use of photos or videotape footage that unintentionally includes your child. This form must be filled out each year if you wish to refuse publicity for your child/children.

**\*\*Please return this form to the school only if you are refusing publicity\*\***
