[Inspirational words from a children's book author to get kids excited to read!](#)

2. Summer School:

NASD is offering a Level Up Enrichment and Remediation Program that will allow students to continue learning in person and online. This program will help with any learning loss that may have occurred for some students, repetition needed by others, and provide enrichment or accelerated learning for anyone else. Not all schools will be open and used for this program. [Link to register](#)

3. RSVP offers the following help for NASD students this summer:

- **Get Back on Track with Reading:** Free for rising 1st - 5th graders who could benefit from reading with a tutor using Raz Plus This program is from July 7th - August 13th. **Click here to sign up:**
<https://www.rsvpmc.org/virtual-literacy-1>
- **Get Back on Track with Math:** Free for rising 3rd & 4th graders who could use extra practice with math skills. This program runs July 7th - August 19th. **Click here to sign up:**
