Virtual Back to School Night

September 10, 2020

Welcome to the Eagles' Nest, Streaming Straight From Your Nest

Thanks for Joining Us!

Back to School Night is always one of the most important nights of the year. This year, the relationship between the school and your family is more important than ever before because our classrooms double as your living rooms! We are very thankful for all of your efforts during this unpredictable and unprecedented time. We wish that you were able to join us in our classrooms tonight, but we are excited to be able to meet with you virtually this evening to strengthen our partnership. On behalf of the entire faculty and staff of the Norristown Area High School, I thank you for your support.
