Records Disposal Request  
Records Disposal Log

## **1. Purpose**

This Records Retention and Disposition Schedule provides guidelines to implement School Board Policies. The purpose of these guidelines is to provide a plan for managing the District's records and to provide continuing authority to dispose of records which are no longer needed or useful to the District. Retaining only necessary electronic and physical records will reduce cost and storage space needed for record retention, and will conserve the District's resources. Moreover, this schedule provides an orderly and systematic records retention system – providing a basis for an organized and functional use of District records.

## **2. Schedule Must Be Followed**

This Records Retention and Disposition Schedule can only function effectively to conserve District resources and costs if followed by all of the District's employees. This schedule establishes the **minimum length of time** for retention of the records identified below. No records shall be intentionally destroyed in contravention of this schedule except as enumerated below.

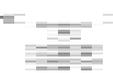

## **3. Records Coordinator**

The Board designates the Superintendent or designee as the district's Records Coordinator, who shall serve as the chairperson of the Records Management Committee. The Records Chairperson will oversee the retention and disposition of records in accordance with this plan and schedule. No records identified herein may be destroyed without approval of the Records Coordinator. The Records Coordinator shall maintain a log of all records destroyed pursuant to this schedule.

## **4. Record Disposal Procedure**

The following procedure must be followed for the destruction of any of the records identified in this schedule.

- a) A request to dispose of a non-permanent record shall be submitted to the Record Retention Officer by the employee requesting permission to dispose of the record(s), or may be initiated by the Record Retention Office unilaterally, utilizing a Record Disposal Request Form (attached as Appendix A).
- b) The Record Retention Officer shall review the destruction request and shall grant the disposal request upon verification that the applicable retention period identified herein has been met.
- c) Upon review, the Record Retention Officer shall indicate approval or disapproval on the request form and return a copy to the employee who submitted the disposal request. If approved, the employee may then destroy the records identified on the request form.
- d) If approved, the Record Retention Officer shall record the disposal of the records in the records disposal log that he or she maintains. (Attached as Appendix B)

## **5. Methods of Record Disposal**

If records destroyed pursuant to this schedule may contain confidential information, care must be taken to ensure the continued security and confidentiality of that information. Paper and physical records that may contain confidential information shall be shredded or incinerated. Electronic records that may contain confidential information shall be overwritten or destroyed in such a manner that confidential information may not be readily recovered. Any records stored with a vendor or contractor that are disposed of pursuant to this schedule may be destroyed directly by the vendor or contractor with written assurances that the records have been destroyed.

## **6. Duplicate Records**

This schedule applies to any form of the records identified herein (paper, digital, microfilm, book, other electronic media, etc.) and only applies to the one official record. Duplicate copies need not be retained. Wherever practicable, the original record shall be maintained as the official record.

## **7. Retention of Records Received Via Email**

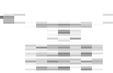

This schedule provides for the systematic retention of e-mail for a limited period of time. However, in many cases, other records identified in this schedule with longer retention periods may be received via e-mail (e.g. accident report received via e-mail; employee requests for leave; special education records, etc.) In such a case, it is the responsibility of the employee(s) receiving the e-mail record to retain the record in accordance with this schedule, even if that requires saving the record in a format other than via e-mail.

## **8. Litigation Hold Procedures**

No record, that would otherwise be eligible for disposition pursuant to this schedule, shall be destroyed if the District becomes aware that the record may be needed for pending litigation.

Any District administrator, upon being notified of pending litigation and/or the need to preserve certain records for litigation, shall immediately notify the Superintendent and the Records Retention Officer in writing to ensure the preservation of the proper records and suspension of any record disposal activities for the records in question. The Records Retention Officer shall coordinate with the District Solicitor or Special Counsel to ensure that all required records are preserved for the duration of any litigation.

Records retained pursuant to a litigation hold shall be retained until the final disposition of all litigation proceedings and upon the written instruction by the attorney for the District that the records may be destroyed.

## **9. Records NOT In This Schedule**

Records not identified in this schedule may be disposed of without written approval by the Records Retention Officer **unless** the employee has been notified that the record is subject to a litigation hold or has been notified that the record is currently the subject of a Right to Know Request under Pennsylvania law. If the employee has been notified of such a request or litigation hold, the record shall not be destroyed except with permission by the Record Retention Officer.

## **10. Exceptions**

Requests for exceptions to this schedule should be submitted in writing to the Records Retention Officer. Upon review of the request, and only with approval of the Superintendent, the Records Retention Officer *may* grant an exception to this schedule so long as the exception does not substantially impede the overall purpose of this schedule as stated above.

## **11. Interpretation**

Under certain circumstances it may be unclear which retention time period applies to a particular record. In such a case, the Records Retention Officer shall be responsible for interpreting the applicable retention period pursuant to this schedule.

## **12. Review**

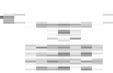

The Superintendent, or his or her designee, shall ensure that this Records Retention and Disposition Schedule is reviewed regularly to ensure full compliance with mandatory legal retention periods and to ensure that the schedule is achieving the Board's stated purpose enumerated above. Any suggested changes to this schedule should be submitted to the Records Retention Officer.

## **13. Calculation of Time Periods**

Each school year shall begin July 1 and end on June 30. Records may be disposed of after June 30 of the year in which the retention period expires.

Examples:

- A. Records retention period is until the conclusion of the school year.  
Record is dated Feb 2, 2013.  
Then, Record may be destroyed as of July 1, 2013.
- B. Record retention period is one year.  
Record is dated Feb 2, 2013.  
Then, Record may be destroyed as of July 1, 2014.

#### **14. Policy Availability**

All employees shall be provided with a copy of this Records Retention and Disposition Schedule along with School Board Policies. The policy and the Record Retention and Disposition Schedule shall also be posted on the District's website.

#### **15. Special Rules For Interpreting These Guidelines**

These procedures are intended to establish internal expectations of the District for its staff in the implementation of School Board Policies. These procedures are not intended to establish legally binding norms or enforceable rights or causes of action in any individual, including students and their parents. The intent of these procedures is to enable the District to comply with existing legal record keeping requirements without retaining unnecessary records and documents. To the extent that any provision of these guidelines is determined to violate any law, that provision only shall be deemed void, and the remainder of these procedures shall remain in effect.
